# BIO

HISHAM KHARMA

Hisham Kharma is a Music Composer & Producer, Creative Director & Social Entrepreneur. Born and raised in Cairo, Egypt and having lived in Miami, Hamburg, and Dubai; Kharma has been influenced by multi-cultural experiences that shaped his mind & reflected in his music. Kharma's passion is to create inspirational and uplifting melodies with a fusion of modern World grooves and sounds.

He likes to break barriers by exploring forever-new sounds & new collaborations. In 2016, Kharma kickstarted his live music concerts. Described by many as a World class show with an immersive soulful music experience; Kharma with his Orchestra has performed in major Mega events & Launches, and in major landmarks like the Pyramids, Cairo Citadel, & London Mansion House.

Kharma Has released multiple top charting albums and singles; his first official release was "First Voyage" with Virgin Megastore and Hybrid records. His second official album was with Sony Music in the "Arabesque" series along with Grammy-award winner Yanni and Can Atilla.

In 2019 Kharma started his film & series scoring career starting with "Al Nehaya Series" & ending with the famous "Suits Arabia" series as his latest scoring projects. In 2022, Kharma was chosen to compose the official music theme for COP27, the main theme for Cairo Drama Festival 1st Edition, and produce the World Fencing Championship official song.

Before starting his Music journey, Kharma started as a Creative Director in the Ad industry, with a pack of regional and global awards under his belt. He holds a Bachelor degree in Computer Science.

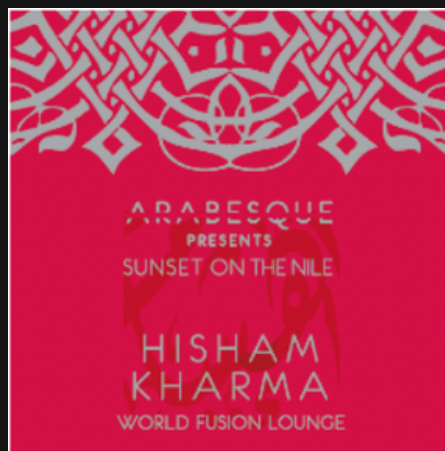

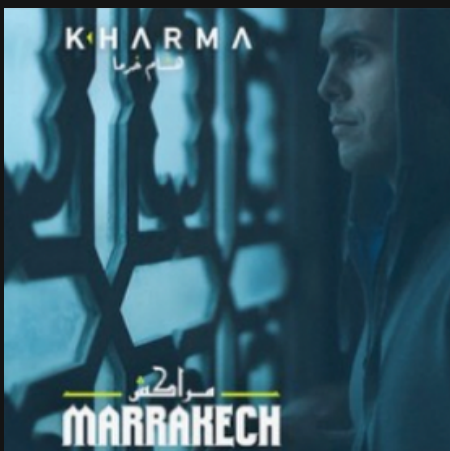

To give back to his community, Kharma has founded [www.Law3andakDam.com](http://www.Law3andakDam.com), an online service that matches blood donors and patients in need of blood, based on location and blood type. He is now an Ashoka Fellow for his social entrepreneurial efforts.

*Kharma's skills and experience has earned him a place on Nord's list of artists worldwide*
